LB 621

able to make it through the priority bills also, do you believe?

SPEAKER NICHOL: Yes, Senator Beutler, that is my plan and, of course, the best plans, you know what happens to those sometime. But if we continue at the rate we are going, I really think that we will get through all of the priority bills including committee bills.

SENATOR BEUTLER: Thank you, Mr. Speaker.

SENATOR MARSH: Senator Barrett.

SENATOR BARRETT: Thank you, Madam Chairperson and members of the body, LB 621, of course, is the bill which makes appropriations for the payment of miscellaneous claims which have been made against the State of Nebraska. The committee amendments would disallow Claim #229 which was originally approved by the Board and it would allow Claim #007 which was originally denied by the Claims Board. This one was brought by the City of Lincoln for the reimbursement of sidewalk improvements and the other one was brought by the heirs of Peter Nettersheim against the State of Nebraska. The first one disallowed an amount of \$78,139, and the other bill by the City of Lincoln without interest amounted to \$14,391.78. I would move the adoption of the committee amendments.

SENATOR MARSH: Is there anyone further for discussion on the committee amendments? We will vote on the adoption of the committee amendments to LB 621. All those in favor vote yes, opposed no. Ladies and gentlemen, we need 25 votes to adopt the committee amendments. Senator Marsh voting aye. The Clerk will record.

CLERK: Senator Marsh voting aye. 26 ayes, 0 nays on adoption of the committee amendments.

SENATOR MARSH: The amendments are adopted. Senator Barrett.

SENATOR BARRETT: Thank you, Madam Chairperson. I would again suggest that each year the Legislature does approve miscellaneous claims made against the state. The bill as amended, LB 621, is now in good shape. I would simply move for the advancement of the bill. Thank you.

SENATOR MARSH: Seeing no further lights, we will now vote on the advancement of LB 621. In favor vote aye, opposed no. We need 25 votes to advance the bill. Senator Marsh voting aye. Please record.
